

As the temperatures drop it is time to prepare for what is to come next spring – the new golf season. Our TiCad Wintercheck is synonymous to a lavishing, deluxe spa treatment for your trolley. Our experts will take loving care in handling every detail to make sure your loyal companion is in prime condition for the next season.

From comprehensive cleaning to meticulous maintenance – nothing is left to chance. Not only will your trolley shine from the outside, but its performance will also. After all, we understand that a perfectly maintained trolley is more than just a piece of equipment, it is a loyal companion on the golf course.

Bring your trolley up to scratch and make memories on the golf course. Book our TiCad Wintercheck now and look forward to the next season in prime condition. There is more to us than just golf trolleys, we are all about passion for the game.

TICAD GUARANTEED MOBILITY

Your mobility on the golf course is of utmost importance to us. In the unlikely event that your trolley ends up malfunctioning mid-golf-season – starting from the 3rd day at our TiCad Service Center – we will provide you with a zero-cost rental trolley upon request. This service is valid only in conjunction with our TiCad Wintercheck.
